

RØDE Microphones 5 Year Limited Replacement Warranty - Terms and Conditions

All RØDE Microphones are covered by a limited warranty for one (1) year from the date of purchase.

This warranty applies only to the RØDE HS1, RØDE Pin Mic and RØDE Lavalier microphones.

The terms and conditions of the RØDE limited warranty are:

1. The warranty only applies to RØDE Microphones purchased from authorized RØDE dealers. The authorized dealers of RØDE Microphones in all regions are listed at www.rodemic.com.
2. The warranty covers any defects in materials and workmanship of the RØDE Microphone, and is limited to the replacement of the RØDE Microphone. In its sole discretion, RØDE may (a) replace the RØDE Microphone with a new RØDE Microphone of the same model, or (b) replace the RØDE Microphone with a new RØDE Microphone of the similar specification, in circumstances where the same RØDE Microphone is no longer available.
3. The warranty does not cover any of the following: damage caused by the user; spillages or moisture; neglect, abuse or misuse, including but not limited to the failure to use the RØDE Microphone for its normal purpose in accordance with the manufacturer's instructions for usage, failure to properly maintain the RØDE Microphone in accordance with the manufacturer's instructions, and/or the failure to use the RØDE Microphone in accordance with the manufacturer's specifications; normal wear and tear; use of microphone with incompatible or faulty equipment; unauthorized modifications; repairs conducted by unauthorized persons or service centres; the model and/or serial number being altered, removed or made illegible; accidents; or acts of god or any cause beyond the control of RØDE.
4. The warranty is transferable during the term of the applicable warranty period of the RØDE Microphone.
5. The warranty does not affect any statutory rights that the original purchaser may have in accordance with the law applicable in the jurisdiction where the RØDE Microphone was purchased, or any rights that the original purchaser may have against the authorized RØDE dealer pursuant to their original purchase agreement. Such statutory rights may not apply to subsequent owners of the RØDE Microphone.
6. In order to claim pursuant to this warranty in the period of one (1) year from the date of purchase of the RØDE microphone, the RØDE microphone must be returned, together with the original proof of purchase, to the authorized RØDE service centre in the region in which the RØDE microphone was originally purchased.
7. In order to claim pursuant to this warranty during the extended warranty period, the claimant must (a) go online to www.rodemic.com, enter their claim details and pay the sum of AUS\$99.00, upon which the claimant will receive an RA claim number; and (b) thereafter deliver the RØDE microphone to the authorized RØDE service centre in the region in which the RØDE microphone was originally purchased, together with the RA number.
8. Once the RØDE microphone has been received, the authorized RØDE service centre will assess the warranty claim and then arrange replacement in accordance with the warranty procedure prescribed by RØDE for their authorized service centre network. The warranty replacement will be conducted by the authorized RØDE service centre as promptly as possible and within a reasonable time from the date of submission of the warranty claim.
9. The list of authorized RØDE service centres in each region is available at www.rodemic.com/distributors.php.
10. In all circumstances, a claimant under this warranty will be liable for all costs in delivering their RØDE microphone to the authorized RØDE service centre for warranty replacement and for all costs in collecting the replacement RØDE microphone from that authorized RØDE service centre. That authorized RØDE service centre may waive the cost of return shipping to a nominated address after the warranty replacement in that service centre's sole discretion.
11. RØDE will not accept any warranty replacement without the original proof or purchase of the RØDE microphone, or without the registration of the RØDE microphone during the extended warranty period. It is the original purchaser's responsibility to keep the original proof or purchase safe at all times, as RØDE is not obliged to provide a replacement of the original proof or purchase, and to transfer that proof of purchase to any subsequent owners of the RØDE microphone.
12. Any replacement of a RØDE microphone pursuant to this warranty will terminate this warranty, and a new warranty will apply to the replacement RØDE microphone.
13. RØDE shall not be liable for damages in excess of the purchase price of the RØDE microphone arising out of the use or inability to use the RØDE microphone insofar as allowed to be disclaimed by law in the jurisdiction where the RØDE Microphone was purchased.

This warranty can be extended to five (5) years from the date of purchase. To be eligible for the extension of the warranty, the original purchaser must register the purchase of their RØDE Microphone online at www.rodemic.com within one (1) month from the date of purchase. The terms and conditions of the original warranty will then apply for the term of the extended warranty period. [Click here to print](#)
